Trusted Material Supplier

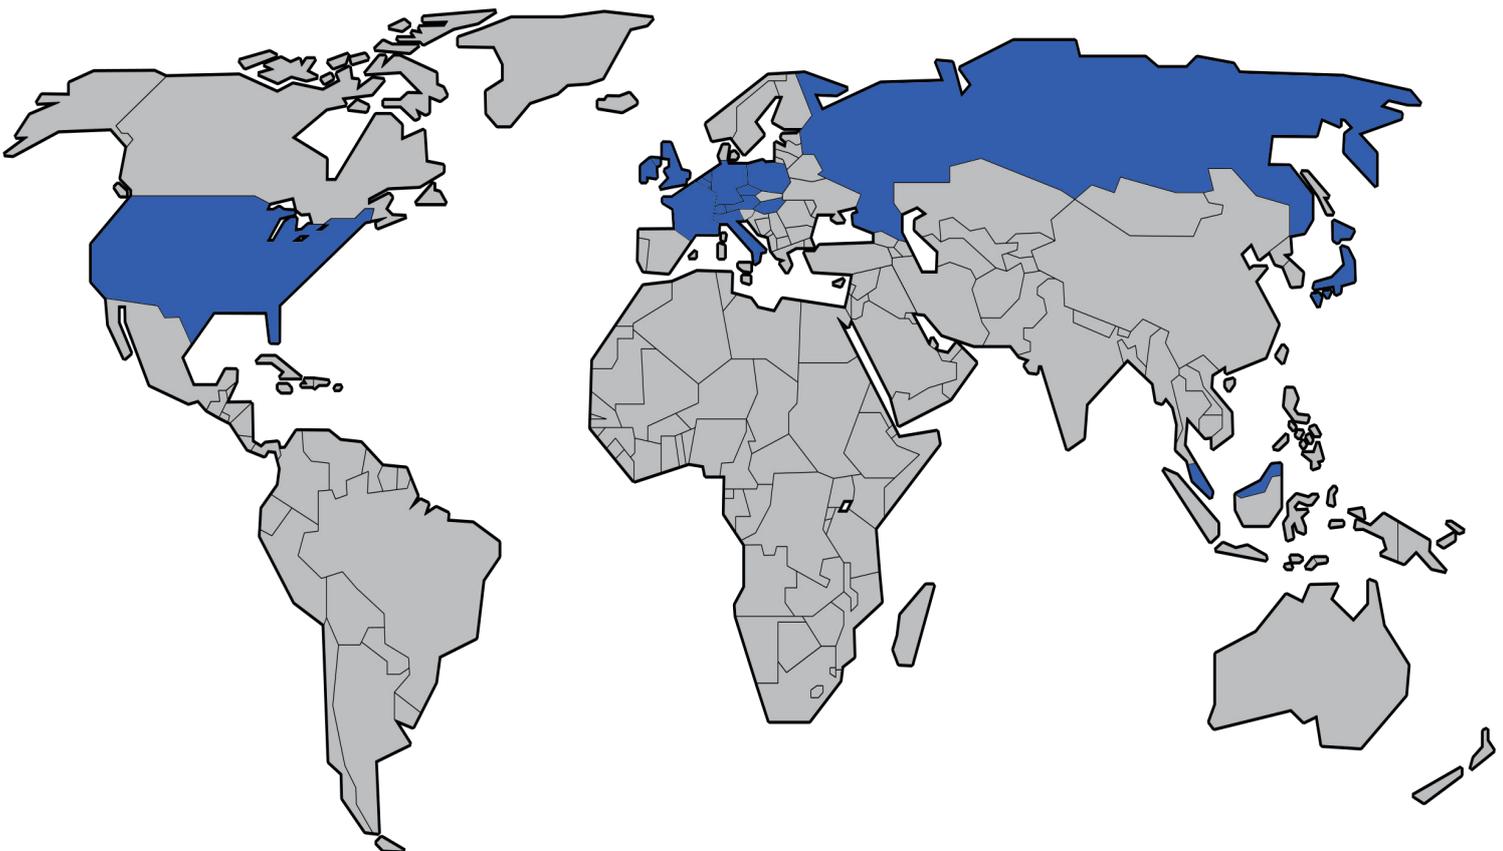

Business Partner

Company Profile

Quken strives to provide top quality refractory metal and rare earth products, often tailored to customers' unique requirements. We work with high-tech companies and research laboratories around the world, and our customers include SAMSUNG, Materion, HERAEUS, and many distributors.

Global Business

Quken is proud to be doing businesses with customers on an international scale.

Products

Special Metals

Element	Material	Form
Nitinol	Room Temperature Superelastic, Shape Memory	Plate, Sheet, Foil, Rod, Bar, Wire, Strip, Custom
Zr	R60702, 99.95% High Purity	Plate, Foil, Rod, Wire, Tube, Custom
Hf	99.5% Hf, 99.95% Hf	Plate, Rod, Wire
Ta	Tantalum and Tantalum Alloy R05200, R05400, R05255, R05252, R05240	Plate, Sheet, Foil, Rod, Bar, Wire, Tube, Capillary, Crucible, powder, Custom
Nb	Niobium and Niobium Alloy R04200, R04210	Plate, Sheet, Foil, Rod, Bar, Wire, Tube, Capillary, Crucible, powder, Custom
Mo	Molybdenum and Molybdenum Alloy Type 361, TZM, MoLa Alloy	Plate, Sheet, Foil, Rod, Bar, Wire, Tube, Capillary, Crucible, powder, Custom
W	Pure Tungsten: W>99.95% W-Ni-Fe Alloy Spec: MIL-T-21014, CLASS 1/3/4 W-Ni-Cu Alloy Spec: MIL-T-21014, CLASS 1/3	Plate, Sheet, Foil, Rod, Bar, Wire, Tube, Capillary, Crucible, powder, Custom

Quken supplies a variety of metal materials for special applications and research markets. Refractory metals, rare metals and corrosion resistance metals are available in plate, rod, tube, etc.

We always accept custom orders, and could conduct manufacturing according to your drawing.

Products

Rare Earth Material

Elements	Products	Purity
Sc	Metal Dendrites, Metal Granules, Al-Sc Alloy, Oxide, Fluoride	Metal: 99.9% Compound: 99.99%~99.999%
Y	Yttrium Metal, Y ₂ O ₃ , YH ₂ , YF ₃	Metal: 99.9% Y ₂ O ₃ : 99.9%~99.9999% YH ₂ : 99.9%, YF ₃ : 99.9%~99.99%
La	Lanthanum Metal, La ₂ O ₃	Metal: >99% Compound: 99%~99.999%
Ce	Cerium Metal, CeO ₂ , Cerium Acetate, Carbonates, Hydroxide, Nitrate, Chloride, Fluoride	Metal: 99%~99.9999% Compound: 99%~99.99%
Pr	Praseodymium Metal, Pr ₆ O ₁₁	Metal: 99% ~ 99.9% Compound: 99%~99.9995%
Nd	Neodymium Metal, Nd ₂ O ₃	Metal: 99%~99.999% Compound: 99%~99.9995%
Sm	Samarium Metal, Sm ₂ O ₃	Metal: 99% ~ 99.9% Compound: 99.9%
Eu	Europium Metal, Eu ₂ O ₃ , Europium Acetate, Carbonate, Chloride, Fluoride, Nitrate, Sulfate	Metal: 99.9% ~ 99.99% Compound: 99.9% ~ 99.99%
Gd	Gd Metal, Gd ₂ O ₃ , Rod, Wire, Sheet, Foil, etc	Metal: 99.9% Compound: 99.99%~99.999%
Tb	Metal Granule, Oxide, Chloride, Carbonate, Sulfate, Acetate	Metal: 99.9% ~ 99.99% Compound: 99.9% ~ 99.99%
Dy	Dysprosium Metal, Dy ₂ O ₃ , Foil, Rod, Sheet, etc	Metal: 99.9% ~ 99.99% Compound: 99.9% ~ 99.999%
Ho	Holmium Metal, Ho ₂ O ₃ , Foil, Rod, Wire, etc	Metal: 99.9% ~ 99.99% Compound: 99.9% ~ 99.999%
Er	Erbium Metal, Er ₂ O ₃ , Foil, Rod, Wire, etc	Metal: 99.9% ~ 99.99% Compound: 99.9% ~ 99.999%
Tm	Thulium Metal, Tm ₂ O ₃ , Foil, Sheet, Rod, Wire, etc	Metal: 99.9% ~ 99.99% Compound: 99.9% ~ 99.999%
Yb	Ytterbium Metal, Yb ₂ O ₃ , Foil, Rod, Sheet, Wire, etc	Metal: 99.9% ~ 99.99% Compound: 99.9% ~ 99.995%
Lu	Metal Dendrites, Lu ₂ O ₃ , Lutetium Nitrate, Chloride, Fluoride, Acetate, Carbonate, Sulfate	Metal: 99.9% ~ 99.99% Compound: 99.9% ~ 99.99%

Quken currently has a full range of common chemicals of Scandium, Yttrium and Lanthanides. For high purity metals, we have 99.99% distilled metal for most of the rare earth elements.

Shanghai Quken New Material Technology Co., LTD

Where Challenges are Met Everyday

We take pride in our knowledge, personal service and customer relationships. Every day we solve material challenges that can consume your valuable time. Our product comes fully certified from the best compliant mills. We maintain an international list of approved suppliers. Our buying power and regular deliveries save your time and money.

We offer:

- Special stocking programs
- ISO 9001 registered quality system
- Various dimension of product

Markets We Serve

Since 2016 we've been building long-term relationships with international companies. From small shops to large-scale distributor and manufacturers, we value every opportunity given us.

Call us today for quality alloys and customer service you can depend on.
